Carson City, NV 89701

Dear Mr. Dooley:

Subject: Request for Qualification (RFSQ) No.: 10088487-18-A, 100% Renewable Energy

Your submittal of July 20, 2017 has been accepted by the City of San Diego, and, as a result, your firm has been selected to the City's 100% Renewable Energy Pool ("Pool").

Please note that additional criteria may be applied to determine the successful firm(s) for a specific project under consideration. Refer to RFSQ Section II.H ("Selection from the Pool; Term of Pool")

As a reminder, all firms selected to the Pool must adhere to Section II.K ("Removal from Pool") of the RFSQ concerning the timely notification to the City of any material change that may affect the firm's ability to execute one or more component in the RFSQ. Failure to do so may result in removal from the Pool.

If you have any questions, please contact me directly at [VMFord@sanidiego.gov](mailto:VMFord@sanidiego.gov) or (619) 236-6032.

Thank you for your interest in assisting the City of San Diego with this important project.

Sincerely,

Veronica Ford  
Senior Procurement Contracting Officer
